Subject: RE: Issue for ACP

Good question. "Atlantic Coast Pipeline" is saved as an issue under NC Department of Environmental Quality as the Issue Type. So you can log and close the opinions on it using that Issue/ Issue Type.

Subject: Issue for ACP

Quick ? I started doing the ACPipeline last week as no action, federal, thinking it was federal because involved more than one state. Before I get any further, I meant to ask you last week would it be federal or other, I didn't know if it's legislation. I'm going to work on some others until I hear back from you, thanks.
